The program actively engages youth through teaching, coaching and mentoring and empowers them to use their voices to inspire and create positive change for themselves and others in their local communities.

MY LIFE consists of youth between the ages of 13 and 23 who have experience with mental health, substance abuse, juvenile justice and foster care related issues. Youth who have a family member or friend experiencing these challenges are also encouraged to participate.

CULTURE

We will be celebrating cultures and the uniqueness of us all! Feel free to bring an item from home to talk about that represents you!
